Do you also know that Mr. Hall & Dr J B Martin accepted the money from the park people with out the Negro National league even having a representative. Mr. Young suggests we hire a detective and he can get you the facts from the government. It would pay the league owners to do this. If we dont Curb Saperstein - Clowns - Syd Pollack - Toad Franklin - Tom Baird and not to forget Gottlieb and Leuschner we wont have any parks to play in where we can make real money.
